## DADAR CLUB

### Minutes of AGM DT. 24th Nov. 2019.

The AGM DT 30.06.2019 was adjourned to 24.11.2019.

President Mr. Ashwin Deshmukh chaired the meeting.

President Mr. Ashwin Deshmukh wished Good day to all members and since there was no quorum right then at 10 AM, the meeting was adjourned by 30 minutes and resumed at 10:30 PM and was put to order.

President Mr. Ashwin Deshmukh announced the agenda point no. 1.

Agenda no. 1:

*“To receive, consider and adopt audited income and expenditure account for FY 18-19 and the balance sheet as on 31<sup>st</sup> March 2019, with auditor’s report thereon.”*

President Mr. Ashwin Deshmukh requested Hon. Jt. Treasurer Mr. Vilas Soman to read the member’s letter and Mr. Soman continued to read –

Mr. Vilas Soman (L611) read the letter -

*Query no. 1: How is the graph of revenue shows different figures those are projected in the financial highlights.*

Mr. Ashwin Deshmukh (N300) clarified that the earlier accounts were in a T format. Mr. Vilas Soman, Joint Treasurer added that there was a change in format.

Sandeep Pradhan (N214) questioned can the total revenue generated change? On page no. 14 fiscal '19, total revenue generated was 254.44 lakhs. The next figure was 264.32 lakhs. So if the figure was 264.32, that was 254.44, why the bar graph did showed different figure which was 254.44.

Mr. Ashwin Deshmukh explained that when the recasted accounts were presented that time neither managing committee report with that recasted

accounts was given, nor the trustee report was given. So the bar chart was taken from the prior to the recasted accounts, which was as per the T format and then it was recasted as per the company act.

Sandeep Pradhan insisted that in any case income is income.

Mr. Ashwin Deshmukh further clarified that the 264 figure for 2017-18 comprised 16, 05000 from the insurance claim which was the one time insurance claim that was not our source of income. So if it is subtracted then you get the equivalent figure of 248 for '17-18. For '18-19 it was 254. So there was no reduction in income. There was an appreciation of income.

Sandeep Pradhan said the graph on page no. 10 which should have been ideally 264.32 to which Mr. Ashwin Deshmukh admitted that there was an error. Mr. Ashwin Deshmukh added that 264.31 was right, but in that 16 lakhs was onetime payment of insurance claim.

Nagesh Alai (L 1866) said that the highlights on page 14 showed the total revenue generated 254.44 and 264.32. However on next page next it came to 379.21 and 429.04, though at the bottom 49.83 it matched. In the main balance sheet, the schedule on page 34, the financial 31<sup>st</sup> March 2019, it showed 134.76 which was matching with P&L account but the previous year numbers were not matching.

Mr. Vilas Soman explained that on page no. 10 of the managing committee report there was a graph chart for the total revenue generation during the period FY16-17 to FY18-19 and in that chart current year's figures were properly stated referring to the income and expenditure account. Figures for the financial year 16-17 and '17-18 were picked up from the financial highlights, page no. 37 of the booklet for the financial year 17-18. It occurred due to recast of figures for financial year 17-18 as the accounts were recasted for the financial year 17-18 as per Schedule III of Companies Act 2013. The corresponding figures for the earlier years would be as follows. FY 2018-19 as per earlier balance sheet it is not applicable, as per recasted equivalent figures it was 254.44 lakhs. For 2017-18 it was 352.57 lakhs and as per recasted equivalent it would be 264.31 lakhs. 2016-17, as per earlier balance sheet there were 375.87 and

as per recasted equivalent figures it would be 254.70 lakhs. We had received Rs. 16 lakhs as insurance claim during the financial year 17-18 which was one time receipt and not a regular revenue source. On subtracting 16 lakhs the equivalent came to 248 lakhs, thus there was no drop of revenue in financial '18-19. However there was an increase of revenue by 6 lakhs which comes to 254.44 lakhs.

Mr. Nagesh Alai (L 1866) further told to go to page no. 14, which showed the total revenue generated of 254 for the current fiscal was 264 and a net deficit of 49.83 in the current fiscal and previous year it was 103.09. The numbers on next page and the income numbers were not matching with that so obviously it was regrouped, but at the net deficit level it was matching. The previous year instead of 106.09 it was showing 135.33, that's the issue that was not being addressed. The main accounts was the P&L account, on no. 29, it showed 254, total revenues current year, the previous year it was 264. And then the bottom line deficit was 49.83 and 106 negative for the previous year.

Dhanesh Udayavar (L0706) suggested that it should be drawn in the whiteboard giving the explanation.

Internal auditor Mr. Sameer Bhagat (L1214) clarified that on page 10 for 2017-18 the total revenue generated was 352.57, but that was the wrong figure, since it was the figure of the 2017-18 account prior to recasting and it should be replaced by 264.32.

Mr. Ashwin Deshmukh agreed to correct the graph and alter it accordingly.

Karan Saboo (L1290) pointed out that the financial highlights 106.09 deficit was not matching with the next page FY 17-18 surplus deficit of 135.33. On page this figure of 135.33 was first appearing in FY 17-18 statement of accounts on page number 38. The surplus deficit FY 17-18, was prior to recasting of the accounts which showed the figure of 135.33. FY 17-18 prior to recasting the departmental surplus and deficit statement showed deficit of 135.33. He believed that it was the same figure that got carried forward in that year's financial highlight but the recasted figure for 17-18 that was circulated later on passed by the

general body that has the figure of surplus deficit of that year 106.08564 that was 106.09. So it was the departmental profit and loss statement of the earlier non recasted accounts passed on in this particular balance sheet and not of the recasted accounts.

Mr. Krishnendu Saha (L1529) also explained that on page number 15 the figure that showed as income and page number 44 was the card revenue. On page number 15 lawn tennis showed 16.39 so that whole figures of 379.21 was the gross figure and it was given to the sharing and that was the net figure which we have.

Mr. Shantanu Lajmi (L1067) the loss of the Gym vendor, M/s Endurance fitness was 25 to 30 lakhs.

Mr. Ashwin Deshmukh clarified that in every managing committee meeting, MC had requested several times to M/s Endurance fitness partners to furnish all the details of memberships but MC is not getting cooperation from them.

Mr. Rajendra Samant (N176) questioned whether that issue was as per the agenda?

Mr. Shantanu Lajmi insisted that it was as per the agenda and also related to accounts which was pertaining to 2019 in which we had a loss. In the agreement it was clearly stated Endurance ensures all service charges, subscription fees will be deposited and/or paid to the designated bank account maintained, operated by Dadar Club. However he started collecting the money directly.

Mr. Ashwin Deshmikh explained that in the meeting with the auditor called by Endurance plus our auditors there was a discussion and after that discussion it was decided that they can collect the fees.

Mr. Sameer Bhagat added that there was a meeting with the auditor of the M/s Endurance / Towin, the Gym vendor the decision was taken in view of solving the GST and other accounting issues.

Mr. Vilas Soman clarified that in 2018 till the meeting with auditor of Gym vendor all the fees were collected by Dadar Club.

A Member asked -

Whether Trustees were aware of the decision of M/s Endurance to collect the fees directly to their account? Did Trustees take such a decision in some managing committee meeting or in a joint meeting, if they had not taken such a decision then who gave the vendor the authority to collect the money, who is responsible for that?

Speaker said that the outstanding's were 14 lakhs at that time.

Speaker reminded that trustees were telling AGM not to terminate the contract of Gym vendor,

Mr. Mandar Ghosalkar said 20 lakhs was the deposit. Since March he had not paid money and March, April, May, June, this 14, 24,000 got nullified there. There are 348 casual members and 200 club members, so from June onwards the amount which is calculating to 17, 50,000 rupees which is a total loss. Mr. Ghosalkar further added that if the accounts team and treasurers would have collected the due payment in time Club would not be in loss.

Mr. Ashwin Deshmukh told Mr. Lajmi that his letter was forwarded to the trustees for investigation.

Mr, Vivek Gadgil (N 071) explained that there was one particular MC meeting wherein there was representation made by the Towin management team alog with their CA. During that point of time GST implementation had just begun and our treasurers. Accountants and auditors were really not very clear what is the impact of the implementation of GST within those first two months. So they made a representation to managing committee saying if Dadar Club starts collecting the revenue we are made to pay double GST. I was present for that meeting. This was the cursory meeting when they made a representation requesting us to look into it.

Mr. Ashwin Deshmukh requested that he would adjourn today's AGM and will come back with all these answers.

Mr. Shantanu Lajmi refused saying that without the general body's permission, president cannot adjourn the meeting.

Mr. Ashwin Deshmukh said that he was not allowed to talk. And he was not allowed to complete his statement. Mr. Deshmukh said let him take permission of AGM but Mr. Lajmi was interfering.

Mr. Deshmukh requested that MC needs time to go into the detailing of these things, and with the permission of the general body and all the members present over here on the floor, let us adjourn today's meeting. Let us put it to vote.

Mr. Rajendra Samant (N 176) said that the treasurer should step down immediately and then President should adjourn the meeting.

Mr. Shantanu Lajmi added that not a single committee member has put in dissent on this and as such this is a collective responsibility.

Dr. Harikishan (L-669) requested that the august body should be given a chance.

Members denied it.

Dr. Harikishan further requested that MC should be given a chance and then let them come out with the answer after 15 days or 1 month whatever it is with that; one chance we have to give them.

Dr. Navare said no confidence vote should be passed and end the story,

Mr. Shantanu Lajmi insisted that MC should step doen.

- Mr. Ashwin Deshmukh requested again that let the AGM decide on adjournment of the meeting.

A member insisted that it's MC's collective responsibility and what this AGM decides, should be accepted by MC.

Mr. Deshmukh requested to take adjournment of meeting.

Mr. Shantanu Lajmi refused it and insisted that MC should step down.

Mr. Nagesh Alai suggested that demanding the resignation could be fair in the situation, and let's nominate 3 or 4 people from the AGM, from the group here, induct them on to the committee right now as co-opted members, forget the rules and regulations.

Mr. Shantanu Lajmi added that the president should announce 3 names those are going out and let's coopt 3 members..

Mr. Ashwin Deshmukh clarified that that in Dadar Club's constitution no confidence motion against MC is not included.

Mr. Shantanu Lajmi insisted again by asking who 3 who are stepping down,

Mr. Ashwin Deshmukh requested that the managing committee will have a joint meeting with the trustees and in that they will take a decision...

Mr. Shantanu Lajmi asked the general body whether 3 to step down or all of MC members.

Members agreed to Mr. Shantanu Lajmi.

Mr. Shantanu Lajmi continued saying that everybody is saying then why MC is not listening to the general body. All should step down and trustees should handle.

Mr. Ashwin Deshmukh again clarified that the club of ours runs as per the constitution.

But Mr. Shantanu Lajmi said the general body is supreme.

Mr. Ashwin Deshmukh said but provision for no confidence of the managing committee is not there.

Mr. Shantanu Lajmi again insisted saying that MC should step down. He further said it's horrible that MC is not stepping down.

Rajendra More (L0974) further commented that this is all moral responsibility to run the club which is not running in good function so it is the moral responsibility of MC to step down.

Mr. Shantanu Lajmi continued saying that the general body is demanding MC to step down.

Mr. Ashwin Deshmukh again clarified that in our constitution to ask the managing to step down as well as no confidence motion, is not there in the provision. He asked AGM whether they want to violate the constitution.

Mr. Shantanu Lajmi insisted that general body is supreme. And he insisted that MC should step down.

Members said yes to it.

Mr. Shantanu Lajmi insisted saying “Step down! Step down!!

Santosh Raje (L1103) expressed that from last half an hour that voices are raised, tempers are raised and blood pressures are raised and that will not solve the problem. He added that everybody is honorary appointed elected member and the same decision can be taken after 7 to 8 days it doesn't make any difference.

Members refused by saying NO

Mr. Shantanu Lajmi again asked the AGM if they want 3 people or everybody to step down.

Mr. Shantanu Lajmi added that trustees should handle the affairs for 6 months and call for elections.

Sandeep Pradhan said that MC should apologize for wasting the time of general body on a Sunday morning and tender their resignation to trustees on the dais and please get down. He commented that he is sick of everything and MC should tender resignation.

There was big commotion & heated arguments among few members

Mr. Ashwin Deshmukh requested to maintain the decorum.

Commotion & heated arguments among few members continued.

Mr. Ashwin Deshmukh again requested to maintain the decorum.

Dr. Harikishan (L 0669) requested to AGM to give a chance to MC since mistakes happen during working. He also commented that members should give them chance than telling them to step down.

Members refused.

Mr. Ashwin Deshmukh said don't tell President to go against the constitution. He said against the Managing Committee he will not allow no confidence motion. He further added that MC is not going to go against the constitution. He also clarified further that the general body is supreme within the 4 walls of the constitution. Members have to move a resolution, if they want to supersede a constitution they have to amend the constitution accordingly.

Mr. Karan Saboo explained that proper resolutions submitted by him were not put up on the notice board and they were not taken up in this meeting since it was not according to agenda. So the resolution which has nowhere been submitted which is required by the constitution should not be taken up. He further added that this is the same general body who had elected 7 people 5 months back and those 7 people are today in the managing committee. He asked if 7 of them are incompetent and inept then how the club is being run for the last four months, why has the club not closed down yet.

Mr. Shantanu Lajmi again insisted saying that the general body is supreme, general body the decision the general body makes overrides, Speaker

Mr. Deshmukh again clearly said that he was not going to violate the constitution and said that he was conducting the meeting.

Mr. Ashwin Deshmukh also said he will put the accounts to vote.

But Mr. Shantanu Lajmi insisted to step down the accounts are being rejected.

Mr. Ashwin Deshmukh said if the accounts are rejected, we will come to the general body with new accounts.

Mr. Shantanu Lajmi refused.

Today's agenda is clearly restricted to effectively, listen to me.

Mr. Shantanu Lajmi insisted that Chairman of the meeting should abide by the general body's directive to take a vote.

Mr. Ashwin Deshmukh asked where is the resolution. Member has to send the resolution 7 days prior.

Mr. Vilas Kabre pointed out that as per the clause of constitution regarding the annual general body meeting, clause no. 24 the requisition meeting shall transact only the business for which the meeting is requisitioned. It means it was only for accounts, point no. 1. Point no. 2, in case the accounts, time and again is failing it means something is wrong from the treasurers. So, the treasurers must resign immediately today, with immediate effect. He further added that we require at least three people to resign and MC should decide in 5-10 minutes.

Mr. Ashwin Deshmukh asked whether the meeting can be adjourned for some time.

Mr. Ashwin Deshmukh announced 3 names ie Pramod Athavle, Architect Rajan Bagve and Chartered Accountant Vilas Soman will step down. They will hand over the resignation to the managing committee in the Managing Committee Meeting and which will be considered. And this is only in the larger interest of the. And the resignation will be as per the constitution, the resignation will be submitted to the managing committee, managing committee will accept the resignation. I request the general body to give names of 8 to 10 people and where we finalize it.

Mr. Rajendra Ghag proposed Shantanu Lajmi, Mr. Bhaskar Aras and Dhanesh Udyavar for cooption in this next managing committee.

Mr. Ashwin Deshmukh said okay to it.

Mr. Ashwin Deshmukh clarified that three of them will be co-opted in the managing committee meeting once the resignation is received for three members. After we accept it we take the proposal of the general body and then we co-opt the new three members.

Those three members will submit resignations in the managing committee's meeting; let's follow a procedure.

Mr. Rajendra More

I request the president to announce the co-option of those 3 names being suggested.

Mr. Ashwin Deshmukh said that the co-opted names have already come from the floor, ie Dhanesh Udyavar, Bhaskar Aras and Shanthanu Lajmi.

The above resolution was put to vote but not moved.

Mr. Ashwin Deshmukh asked whether the agenda number one can be put to vote.

After the okay from the general body Mr. Deshmukh announced the agenda number 1

**To receive, consider and adopt the audited income and expenditure account for the year 2018/19 and the balance sheet as on 31<sup>st</sup> March 2019 with auditor's report thereon.**

He further asked if any one member to propose it.

But all shown refusal so Mr. Deshmukh asked whether all don't want to go ahead.

All said to withdraw it.

Mr. Ashwin Deshmukh announced that the meeting stands adjourned and concluded.

Mr. Vilas Kabre (L 1267) further asked the general body whether the accounts going to be passed, yes or no.

Members refused it.

But Mr. Vilas Kabre tried to convince the members saying that there is no fudging of the accounts and it is human error, you have to condone it.

CA Jaideep Barwe explained that there are two things one is the audited balance sheet, audited income expenditure account and notes account, so that is for the year ended '18/19. What is the other issue is the trustee's report, management report discussion analysis, so if the queries are related to reconciliation of numbers in the management reports, what I propose is that let us adopt the audit report. Whatever the clarifications we can take it in the next meeting. So let's not wait for adoption of accounts because annual accounts are different and management accounts are different. I think Mr. CA Udyavar, just corroborate my statements, one is audited statements of accounts, which is audited balance sheet and company expenditure. The other is management discussion and the trustee's report. So what has happened is that if the queries are related to reconciliation of numbers between last year's recasted numbers and today's numbers in only the management discussion analysis. So what I propose is that let's not keep the audited accounts or resolution to be passed in the next meeting because these are not connected to each other. So you can adopt a resolution today and get the accounts passed. Whatever the reconciliation will be like in the management report. Though numbers between 352 and 264 all so that can be explained in the next meeting. So let's not wait for...

Speaker said that liability of Endurance was not considered.

Trustee Mr. Vasant Nigudkar suggested on behalf of trustees that as far as statements of accounts are concerned, general body should accept because there is no change in that. As far as the accounts are concerned and the appointment of the GST auditor and the statutory auditor I think in this meeting you should pass those according to us.

CA Dhanesh Udayavar said that the point is the bank account has been opened in the contactor's name that all the factors have to come in the books of accounts.

Mr. Vivek Gadgil admitted that during the regime of M/s Endurance he himself was Hon. Jt. Secretary and that the President's statement was right.

Mr. Ashwin Deshmukh confirmed that Mr. Vivek Gadgil was present for the meeting, and he was the secretary.

Mr. Vivek Gadgil apologized for his mistake.

Mr. Sandeep Pradhan said that in January 2018 he started collecting money on his own. So when the January 2018 issue has come up, it's year ending was on March 2018 and its balance sheet and accounts we are now sitting here with. We don't have a receipt book that how many PT he has taken, how many casual members, how many main members he has taken, how many massages.

CA Jaideep Barwe clarified that we have to only revise the notes to account.

Mr. Vivek Gadgil explained that the data may not be available even for next 3 months since there is no cooperation from the gym vendor.

Mr. Shantanu Lajmi requested that the new accounts should be presented by the constituted new MC and there should be a time line of 60 days which the general body accepted.

Mr. Ashwin Deshmukh adjourned and concluded the AGM.

Mr. Shreerang Aras (O422) offered thanks to the chair.

The Management of the Club is charged with governance and is also responsible for overseeing the Club's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the revised financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these revised financial statements.

## ANNEXURE A

### TO THE AUDITOR'S REPORT REFERRED TO IN PARA OF OUR REPORT OF EVEN DATE

Further to our Audit Report, we wish to bring to your notice the following matters to be addressed:

1. Dadar Club has terminated its contract with Supreme Hospitality in year 2017 and is taking steps on the said Contractor for recovery of INR 20,77,921 on account of various claims receivable from them. Corresponding to that, there is a security deposit of INR 20 lakhs received from the party.
2. The contract with Towin Health Management, Gymnasium Service Provider, was terminated in July 2019 owing to breach in contract. He is no longer providing services since July 2019. The Managing Committee of Dadar Club, vide its resolution dated 30 December 2019, have entrusted the Trustees of Dadar Club, to investigate into the financial matters related to Town Health Management and provide a report on it.

The details about the termination of the Contract with Towin Health Management and the probable financial impact, though yet to be certified as correct and complete by the Trustees of Dadar Club, are provided in the revised Notes to Accounts. As of the date of these revised financial statements, the financial position regarding Towin Health Management is not yet certified as correct and complete by the Trustees of Dadar Club. Based on the outcome of the detailed verification by the Trustees of Dadar Club, the necessary accounting effects will be given in the financial statements for the year ended 31 March 2020.

As a result, though the figure is disclosed in the revised notes to accounts, we are not in a position to comment on the completeness, existence, accuracy and reasonableness of the amounts stated in the revised notes to accounts.

3. A security deposit has taken from Athiya Hospitality for INR 31 lakhs. Whilst a letter of intent (LOI) has been issued to Athiya Hospitality, a formal signed contract has not been entered with Athiya Hospitality. Apart from a mention in the LOI, no official receipt has been provided by Dadar Club. Subsequent to the year ended 31 March 2019, in April 2019, the Caution Money deposit of INR 7 lakhs has been received.
4. Original substantive documentation should be made available for the Security Deposits received from third parties as well as deposits that the Club has placed with respective departments of Govt. The deposits (assets) as of 31 March 2019 amount to INR 52.77 lakhs, out of which Management of the Club has arranged for photocopies of receipts, bills supporting the deposits to the tune of Rs. 44 lakhs approximately.
5. The Club has delayed in paying relevant statutory payments like TDS and GST in time on a few occasions, which has resulted in payment of interest.

6. The Club needs to comply with Profession Tax formalities.
7. Management has not initiated steps to take details from suppliers or service providers who are registered under Micro, Small and Medium Enterprises Development (MSMED), Act 2006. As such, the interest on delayed payments has not been calculated and provided.
8. Physical verification of fixed assets, cash and inventory should be regularly done by the Management at periodic intervals.
9. Fixed assets register needs to be compiled with details like asset numbers, location etc. and should be matched with the amounts in General ledger.
10. The Club has not made any provision quantifying the amount of various employee benefits on the basis of actuarial valuations.
11. The constitution of the Club has been in force with effect from 11 July 1999. Given the changed working scenarios and economic conditions, the Managing Committee and the Trustees should ensure relevance and updating the clauses stated in the Constitution vis-à-vis the current financial, legal and operational working terms and conditions.
